

Transient Vendor Application

Transient vendor means any person who brings into temporary premise and exhibits stocks of merchandise to the public for the purpose of selling or offering to sell the merchandise to the public. Transient vendor does not include any person selling goods by sample, brochure, or sales catalog for future delivery; or to sales resulting from the prior invitation to the seller by the owner or occupant of a residence. For purposes of this definition, "merchandise" mean any consumer item that is or is represented to be new or not previously owned by a consumer, and "temporary premise" means any public or quasi-public place including a hotel, rooming house, storeroom, building or part of a building, tent, vacant lot, railroad car or motor vehicle which site temporarily occupied for the conducted business at those premises for more than six consecutive months or has occupied the premise as his or her permanent residence for more than six consecutive months.

A Temporary Use Permit must be obtained from the Gallatin Codes Department before this license may be issued.
