NIC Global Expanding in Gallatin

(Gallatin, TN) Manufacturer NIC Global in Gallatin, Tennessee is expanding its facility with a \$2Million capital investment that will add 28 new jobs.

NIC Global, located on Belvedere Drive, has been in Gallatin since 2004. The company specializes in sheet metal fabrication, and assembly with industry-leading customers throughout North America. NIC product is integral in heavy truck, medical, and power distribution industries.

"With increased demand for our product and services, NIC is investing in capabilities to accelerate our growth," said Troy Wood, NIC's Vice President of Global Operations for the Southeast. "Our Team in Gallatin consistently delivers on our commitment to our customers with exceptional innovation and quality. We are eager to continue investing in our operations here and thankful for the ongoing support from our Gallatin, Sumner County and State Economic Development Teams. This region continues to be a perfect fit for long term investment in our team, facilities and leading edge technology."

NIC, founded in 1999, is headquartered in Woodinville, Washington with facilities in Tennessee, Ohio, and Texas,

"We appreciate NIC's commitment to Gallatin and its operations here," said James Fenton, Executive Director of the Gallatin Economic Development Agency. "Historically, 80% of new jobs come from existing industries. When a company like NIC chooses to expand in Gallatin instead of growing elsewhere, that is a sign that they value this community."
